

# REPAIRS NEEDED!

HEBREWS 13:20-21

APRIL 9, 2017

This prayer though simple addresses two critical needs in our lives..

1. The need to be \_\_\_\_\_ The fundamental meaning is \_\_\_\_\_ to put a thing in its appropriate condition, to establish, set up, \_\_\_\_\_ arrange, prepare, to mend. The same word is used in Matthew 4:21

Great word picture \_\_\_\_\_ He takes us from the scrap heap and gives us life and purpose!

All in need of repairs  
Only one who can do the work  
"Doing Ministry" does not repair anything in our lives

Jesus has got \_\_\_\_\_ we need and it is all good!

Keep it simple: \_\_\_\_\_

Purpose? \_\_\_\_\_

Do you need to see your time with the Lord a little differently?

Word Picture: \_\_\_\_\_ before Him

2. The need for Jesus to \_\_\_\_\_

We are never meant to be on our own  
Paul understood this Philippians 2:13, Colossians 1:29  
Doesn't mean it will be easy

Purpose? \_\_\_\_\_ All about HIM!

Are we laying our lives before Him and looking to Him to bring healing in our lives?

How much are you letting Him work in you, rather than simply trying to work for Him?
