2. _____ NOT _____ based
Neither one deserved what they were asking for
3. _____ NOT _____

What are we trying to do on a Sunday morning?
Do we think we have to do this with those we know that don't yet believe?

B. How to approach Jesus

1. _____
We have no authority
2. _____
We have nothing to hide
3. Not _____

Things to consider:

1. Looking over the four truths of Jesus, is there any area you need to change your thinking in?

2. Are there any changes you need to make in your interactions with the world that would help your testimony to be stronger?

What Jesus are you presenting to the world?

Anyone you need to go and talk to, to make things right?

3. Looking over the four ways we need to approach Jesus, is there anything God is telling you need to do differently?
