Celebrate the transformation

**2 Corinthians 5:17-18**

Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come! All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation:

Are you a new creation? Do you hear God speaking to your heart calling you to Himself through His Son Jesus?

This week:

1. In order to appreciate your transformation more fully take time to do something unusual and meditate on the wrath of God to see how dreadful and horrific it is and then move to focus on what you now have instead with Christ. Think about the transformation... of what is now true of you in Christ and what you have to look forward in the future. May He overwhelm you with joy, gratitude, hope and His love.
