

Living It Out
Hebrew 9:1-14
August 7, 2016

Because of what Jesus has done....

1. We have a _____ kind of relationship with God
No need for earthly priests
Though He died he is very much alive
Are we taking for granted what we have in Jesus?

2. Time to go _____: “draw near”
Sincere heart: all of yourself, fully engaged
Full assurance of faith: Because like priests...made clean
Where are you in relation to the water?

3. Our hope to be like a _____ based on His _____
not our own efforts.
No where else to turn. Our only hope.
Grounded in what is true of God.... _____
How strong is your faith in God?

4. Time to _____ one another. Our faith is to go beyond us.
What kind of spurring are we doing? Love, good deeds or
in the superficial?
God wants us to use our times together to _____
each other in our relationship with God.
Can you see ways God is using you in the lives of others?
What is your attitude when you gather with other
believers?
Is there a need to be more purposeful in your life?
Is there someone God wants you to be ministering to?
