

# The Power of ONE

Hebrew 9:15-28

July 31, 2016

Each of the following points shows there is only one and not many. May we come away strengthened in our faith and understanding of what we have in Jesus, as well as the importance of our time on this earth.

1. Only ONE \_\_\_\_\_:Jesus  
Anyone else you would put your trust in to do this?  
What does the world say?
2. Only ONE \_\_\_\_\_ could pay the debt owed  
Def: to redeem one by paying the price  
Consider how large of debt we have.
3. Only ONE death could \_\_\_\_\_ the New Covenant  
It needed the shedding of blood of one who was worthy
4. We face only ONE \_\_\_\_\_ before we face judgment  
Can you see how important the first three points are?  
Since we have only one life to live how are you living it?  
What are you basing your answer upon?  
Feelings or God's Word?

Where do you stand in your relationship with God?  
How seriously do you take your day to day life and what you are doing  
with it? Any changes needing to be made?
