

Kingdom Prayer

Matthew 6

September 14, 2014

Last week we talked about how the purpose of faith once we come to believe is first, for Kingdom Work, not for self or family.

But what is meant by Kingdom Work?

1. _____
2. _____
3. _____

The great commandment and the great commission

This being true, then what should our prayers be like?

Jesus helps answer this question with his teaching on prayer in Matthew 6

PRAYER

1. Not for the purpose of _____ others
 2. Not about using a lot of _____
 3. Begins with _____ and _____
 4. Asking for His _____ to come
- Means more of God _____ in our world and people _____ to Him in faith

5. Asking for _____ to be done

A. To what extent?

a. Same as in _____

b. _____ of the time

B. Jesus lived this way

Luke 22:42, John 8:28, Hebrews 10:7
John 5:30, John 6:38

C. Will _____ any incorrect

Jesus makes it clear in this prayer what the priority is. The world is in desperate need and He is the answer.

The challenge of praying Kingdom Prayers is it puts the focus on God and calling upon Him to work in this world believing and trusting that He knows what is best.

It is time for us to continue or to begin praying more about His reign here and calling upon and yielding to His will being done in everything.

In two weeks we will look at how to be praying for one another.
