HEBREWS 13: 7-8

In Hebrews 13:7-8 we find some simple truths that are very important

1. What we still need today \_\_\_\_\_

- \*The world has moved far away from it
- \*Where truth will always be found
- \*How committed are we to it?

2. What's worth imitating? Their \_\_\_\_\_

- \* Not talking about for salvation, but in day to day life
- \* Do we understand its importance?
- \* What others need to see in our lives

What helps us be a people of faith is the truth declared in verse 8.

3. \_\_\_\_\_ is \_\_\_\_\_

- \* How much do we believe in the Jesus of the Bible?
- \* Have we altered Him in any way based on our experiences in life?

\* Which means what Jesus said in Matthew 16:24 is still true for us today.

To live this way comes down to faith and believing in the Bible.

Is there something you are holding onto instead of giving to Him?

It's simple, He is enough.
