Sermon Discussion:

1. What stood out, challenged or comforted you from this Sunday's teaching?
2. According to Wayne Grudem, God's immutability is a doctrine teaching "God is unchanging in his being, perfections, purposes, and promises." How should this fuel our confidence in God?
3. These women carried the message of Jesus' resurrection to His disciples who hadn't yet believed. Please share a time when you've carried the message of Jesus' resurrection to someone who hadn't yet believed. How did it go?
4. How can deepening your love and affection for Jesus make talking about Him with others easier? How have you seen this to be true in your spiritual journey thus far?
5. Since the resurrection of Jesus is true, how should it forever alter the direction of the Christian's life? What does that look like? (Consider how it forever changed the lives of the disciples.)
